# International Qualifications for Global Futures

**Welcome to our 2020-2021 world-class iTEC & VTCT Qualifications portfolio that allows learners to secure rewarding jobs in both local and international markets.**

Combined, iTEC & VTCT have been Awarding Organisations for over 120 years and offer high-quality, regulated qualifications and assessments in over 40 countries.

You will find included in this book our career pathway which clearly illustrates a number of career options available. You can use this tool as you assist your learners in planning their dream career. Free copies are available to download through these links: [itecworld.co.uk/pathways](http://itecworld.co.uk/pathways) or [vtct.org.uk/pathways](http://vtct.org.uk/pathways).

In addition to listing the qualifications available from 1 September 2020, we've included a brief description for each qualification. More in-depth information on these qualifications can be found on our websites through these links: [itecworld.co.uk/find-a-qualification](http://itecworld.co.uk/find-a-qualification) or [vtct.org.uk/find-a-qualification](http://vtct.org.uk/find-a-qualification).

# Glossary of Terms

The following terms are used throughout this book. Please see below for clarification on any of these terms. If you find you still have additional questions about any of our qualification listings, please contact [Customer Support](#) directly.

**Award:** This describes the size of a qualification in terms of Total Qualification Time (TQT) (comprising both supervised and unsupervised study) required by an average learner. An Award has a TQT of 120 hours or less.

**Certificate:** This describes the size of a qualification in terms of Total Qualification Time (TQT) (comprising both supervised and un-supervised study) required by an average learner. A Certificate has a TQT of 121-369 hours.

**Credits:** This is the number of credits awarded upon successful achievement of all unit outcomes. Credit is a numerical value that represents a means of recognising, measuring, valuing and comparing achievement.

**Diploma:** This describes the size of a qualification in terms of Total Qualification Time (TQT) (comprising both supervised and un-supervised study) required by an average learner. A Diploma has a TQT of 370 hours or more.

**GLH:** This refers to **Guided Learning Hours**. These are defined as all times when a member of staff is present to give specific guidance towards the learning aim being studied on a programme. It includes any activity of a learner in being taught or instructed by – or otherwise participating in education or training under the immediate guidance or supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training. No learner is required to take a certain amount of time; some may take less and some may take more time. Qualifications can sit at different levels, but require similar or different amounts of study and assessment time.

**Product Code:** This is a unique identifying code, which is assigned to every qualification. The code identifies the sector, level and qualification type. You can learn more about product codes here: [itecworld.co.uk/qualification-product-codes](http://itecworld.co.uk/qualification-product-codes).

**QN:** This is the unique number assigned to a qualification upon successful submission to Ofqual's Register of Regulated Qualifications.

**Qualification Title:** Some qualifications have had title amendments to ensure they are most representative of the qualification's content.

**TQT:** This is the **Total Qualification Time**, a term used within qualifications regulated by Ofqual as part of the Regulated Qualification Framework (RQF). It aims to provide an indication of the minimum length of time it would take the average learner to complete their qualification. This includes the number of hours an awarding organisation has assigned to a qualification for Guided Learning and an estimate of the number of hours a learner will reasonably be likely to spend in preparation, study, or any other form of participation in education or training. This includes assessment, which takes place as directed – but, unlike Guided Learning, not under the immediate guidance or supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training.
